The Street Child World Cup is a global movement for street children to receive the protection and opportunities that all children are entitled to. The Methodist Church

is raising £30,000 to send two Nicaraguan teams- a boys and a girls team to Rio for the SCWC which begins on 28th March, this will continue for the next World Cup in Moscow. Last year we raised £126.10 for SCWC & we're aiming for more this year! Come along & support or donate on the website above or see George/any young people taking part.

**Cliff Festival:** This year TEC will be embarking on an exciting venture of attending **Cliff College Festival 2014 from 23<sup>rd</sup> – 27<sup>th</sup> May** for the full weekend, camping & all. We have been to Cliff Festival in previous years and enjoyed being at Pulse (Youth Tent), whether it was for an evening or a few

one-off events. This year we are going to be involved in the whole weekend. We will be joining our Circuit neighbours from Bolsover & Staveley Circuit and looking forward to sharing the weekend with them along with the many who attend Cliff Festival. Cliff College Festival is aimed at all ages and we will be attending the Y7-9 & Y10-13 Pulse Tents along with a load of different activities going on through the day from seminars and worship to creative, musical, sporting and outdoor activities. For further information, contact George on the info below or see the Circuit website for downloads.

**YDW Office:** George is now based in the Youth Development Worker Office, Room 1 at Whittington Moor. There are new contact telephone numbers & a change to correspondence address below. We now have a Twitter address as well as our website, facebook & google calendar so you can keep up to date on events.
